

# YOUR FUTURE AWAITS

Are you or  
someone you know...

- Struggling financially after leaving an abusive relationship and/or domestic violence?
- Trying to break free from this type of relationship but financial pressures are getting in the way?
- Currently enrolled in school or interested in pursuing an education?

LEAVEN may be able to help with rent, utilities, transportation, childcare, or other expenses that would prevent survivors from starting or staying in school.

Contact Mary at LEAVEN to learn more about the **MY ROAD AWAY** Program.
